

ELECTRONIC DELIVERY AUTHORIZATION

By accepting this form, you consent to receive insurance policies, endorsements and other policy-related correspondence via electronic ("e-") delivery during the duration of your contracts.

This consent will continue unless and until revoked (by emailing your Account Manager with the request). Certain types of correspondence may continue to be delivered by U.S. Mail for compliance reasons. You may request paper copies (by emailing your account manager with the request), whether or not you consent or revoke your consent for e-delivery, at any time and without charge.

There is no charge for e-delivery (other than costs you may already incur for your personal or business computer hardware/software and internet).

Please ensure that you have provided Pro-TEC Insurance with a current e-mail address by confirming via email to your Account Manager.

Even if you have given your consent to receive e-delivery of documents, Pro-TEC Insurance is not required to make e-delivery and may not on some occasions.

{To view and download material electronically, you must have a computer with internet access, an active e-mail account, and Adobe Acrobat Reader. If you don't have Adobe Acrobat Reader, you can download it free from www.adobe.com}

I consent to receive e-copies of certain documents via e-mail. I consent to receive notification of these available documents via e-mail. I affirm I have the equipment and software necessary to view and download documents. I will notify Pro-TEC Insurance if my email address changes.
